

BioME Scholarship Program

Life Science Majors

Examples of academic majors in Life Science considered for BioME Scholarship programs

Anatomy	Cellular Biology	Marine Ecology
Animal and Veterinary Sciences	Chemical Engineering	Marine Sciences
Aquaculture Sciences	Chemistry	Medical Biology
Astrobiology	Cognitive Biology	Medical Laboratory Sciences
Biochemistry	Computational Biology	Microbiology
Biodiversity	Conservation Biology	Molecular Biology
Bioinformatics	Earth and Climate Sciences	Natural and Applied Sciences
Biolinguistics	Ecology	Neuroscience
Biological Engineering	Engineering (as it relates to life sciences)	Pathology
Biological Sciences	Environmental Sciences	Photobiology
Biology	Evolutionary Biology	Physiology
Biomechanics	Fisheries Biology	Plant Science
Biomedical Engineering	Forensic Science	Pre-Med
Biomedical Research	Genetics	Pre-Optometry
Biomedical Sciences	Immunology	Pre-Pharmacy
Biophysics	Laboratory Science	Virology
Biostatistics	Life Sciences	Wildlife Biology
Biotechnology	Marine Biology	Wildlife Ecology
Botany		Zoology
